Testimonials

Joe,

I am sure you hear this often but wanted to put pen to paper to express my sincere appreciation for the level of service and responsiveness you, Linda and your staff provide my company. Whether we are working for a Fortune 500 Company or a local home owner, your ability to provide us with what we need, when we need it, in a professional manner reflects well on your company. As you know, I have been with other payroll and workers' compensation companies in the past and believe me when I say that having your company service my business is one of the best business decisions I have made. I recommend your company to others and will continue to do so!

My sincere thanks for all you've done and continue to do for us.

Linda & Joe,

I wanted to thank you and your staff for the superior service you provide our company.

During the years we have been associated with you, we have seen a lot of change. We have seen the construction market boom and the economy fall and through it all, you have been there for us.

I just wanted you to know that your assistance has not gone unnoticed and that it is truly appreciated.

We have been doing business with Linda Mitchell of 1st Choice Payroll Solutions since 1992.

She has always been extremely attentive to our company needs. She is quick to respond to any circumstance that may arise and she always goes out of her way to make sure our account is serviced with the utmost professional care.

I would highly recommend Linda Mitchell and Joe Frank of 1st Choice Payroll Solutions and would gladly speak to anyone considering 1st Choice as their Employee Leasing Broker!

Sincerely,

Judi - Florist Company - Naples
